INSTRUCTIONS FOR STATEMENT OF FINANCIAL INTEREST

INTRODUCTION/WHO MUST FILE

Ark. Code Ann. § 21-8-701(a) requires that the following persons file a written Statement of Financial Interest on an annual basis:

- A public official, as defined by Ark. Code Ann. § 21-8-402(17);
- A candidate for elective office;
- A district judge or city attorney, whether elected or appointed;
- Any agency head, department director, or division director of state government;
- Any chief of staff or chief deputy of a constitutional officer, the Senate, or the House of Representatives;
- Any public appointee to any state board or commission (who possesses regulatory authority or is authorized to receive or disburse state or federal funds);¹
- All persons who are elected members of a school board or who are candidates for a position on a school board;
- All public and charter school superintendents;
- All executive directors of education service cooperatives;
- Any person appointed to a municipal, county or regional (i) planning board or commission, (ii) airport board or commission, (iii) water or sewer board or commission, (iv) utility board or commission, or (v) civil service commission;
- Any member of an advertising and promotion commission; and
- Any member of a research park authority board under Ark. Code Ann. § 14-144-201 et seq.

The Arkansas Ethics Commission, which enforces this statute, has prepared these instructions, along with the office of the Secretary of State, whose office maintains the records, to assist persons required to file these statements. If you have any questions concerning the reporting requirements or how to fill out your Statement of Financial Interest, call or write either the **Arkansas Ethics Commission**, Post Office Box 1917, Little Rock, Arkansas 72203-1917, tel. (501) 324-9600 or the **Secretary of State, Elections Division**, State Capitol, Room 026, Little Rock, Arkansas 72201, tel. (501) 682-5070.

When preparing the Statement of Financial Interest, please **print or type the information**. You must also sign the Statement in Section 13 and your signature must be attested to before a Notary Public.

¹ Pursuant to Ark. Code Ann. § 21-8-701(a)(5)(B), a public appointee to a state board or commission which is not charged by law with the exercise of regulatory authority and which receives or disburses state or federal funds only in the form of mileage reimbursement for members attending meetings of the board or commission is not required file a written Statement of Financial Interest.

SECTION 2 (Reason for Filing)

Check the box applicable to you and provide the office/position held or name of the board, commission or school district in the appropriate space.

SECTION 3 (Sources of Income)

The term "gross income" is intended to be comprehensive. It refers to all income from whatever source derived, including but not limited to compensation for services, fees, commissions, and income derived from business interests. Report each employer and/or each other source of income from which you, your spouse, or any other person for the use or benefit of you or your spouse receives gross income exceeding \$1,000 on an annual basis. Include your governmental income from the office or position which requires your filing of this form. You are required to use the gross amount received as income. Thus, you must compute your total income from any particular source without first deducting expenses.

You are not required to list the individual items of gross income that constitute a portion of the income of the business or profession from which you or your spouse derives income. (For example: Accountants, attorneys, farmers, contractors, etc. do not have to list their individual clients.) If more than one source/employer/entity compensated you during the past year, you are required to list each source of income greater than \$1,000. If you or your spouse received speaking honoraria, you must report, under the request for "source", the sponsor of each event for which a payment was made for your speech or appearance, as well as the date and dollar category ("more than \$1,000.00" or "more than \$12,500.00"). The term "honoraria", as used herein, means a payment of money or any thing of value for an appearance, speech, or article. NOTE: Food, lodging, and travel provided to a public servant in connection with an appearance would not constitute honoraria if the public servant is appearing in his or her official capacity and the appearance bears a relationship to the public servant's office or position. Section 10 of the Statement of Financial Interest addresses the reporting of payment for such food, lodging, and travel.

You must also provide a brief description of the nature of the services for which the income was received, as well as the name under which the income was received. For example:

Source	Description	Amount
State of Arkansas (address) John Doe	Executive Dir.	More than \$12,500.00
University of Arkansas (address) John M. Doe	Teaching	More than \$12,500.00
450 Main Street, Little Rock, Arkansas	Rent Income	More than \$12,500.00

In the case of **bank accounts**, if the total of interest bearing accounts (including certificates of deposit) deposited in a particular bank exceeds \$1,000.00, list each institution holding more than \$1,000.00. If no particular bank holds more than \$1,000.00, you need not report any bank accounts. All accounts at one institution, including those for your spouse, may be combined as one entry. Thus, for example, you may report a checking account, savings account, certificate of deposit, and IRA in Smith First National Bank of Arkansas by checking the gross total of the accounts (e.g., "more than \$1,000.00") and stating "Smith First National Bank of Arkansas" with its address. You need not list each account. If you are listed on an account purely for custodial reasons, and you do not assert any ownership rights to the assets in the account (for example, if you are a joint tenant with an elderly relative), you need not list the account.

For any business interest, if you or your spouse has an interest in a proprietorship, partnership, or corporation that is actively engaged in a trade or business, you must disclose the name and address of each interest. It is not necessary to provide an itemized list of the assets of the business. For example, you need only categorize the total value of your interest (e.g., "more than \$12,500.00") and not items such as "office equipment." This includes each asset held in trust for you or your spouse which has a value greater than \$1,000.00. Holdings of a trust for which you or your spouse are merely an administrator and for which you have no beneficial interest need not be reported.

Section 5 (Office or Directorship)

You must report your nongovernmental offices and directorships held by you or your spouse in any business, corporation, firm, or enterprise subject to the jurisdiction of a regulatory agency of this State, or any of its political subdivisions. For each such business, provide the name of the business, its address, the office or directorship held and the name of the person (either you or your spouse) who holds the office or directorship. A "regulatory agency", as defined by Ark. Code Ann. § 21-8-301(1), means any "state board, commission, department, or officer authorized by law to make rules or to adjudicate contested cases except those in the legislative or judicial branches."

Section 6 (Creditors)

You must report the name and address of each creditor to whom the value of \$5,000.00 or more is personally owed and outstanding at the end of the reporting period. All information regarding a single creditor may be reported in a single entry. If you have more than one liability owed to the same creditor, add up the items of credit to determine if the \$5,000.00 threshold has been met. The identity of the creditor is the name of the person or organization to which the liability is owed (e.g., "Bob Smith, 1000 Elm Street, Little Rock, Arkansas").

You do not need to include debts owed to members of your family. You may also exclude loans made in the ordinary course of business by either a financial institution or a person who regularly and customarily extends credit. This exclusion applies to such items as a mortgage

A gift can be a tangible item, such as a watch, or an intangible item, such as a hunting or fishing trip. A gift does not include (1) informational material; (2) receiving food, lodging, or travel which bears a relationship to the public servant's office and when appearing in an official capacity; (3) gifts which are not used and returned to the donor within 30 days; (4) gifts from a family member listed in Ark. Code Ann. § 21-8-402(5)(B)(iv), unless the family member is acting as an agent for a person not covered by the exception; (5) campaign contributions; (6) devises or inheritances; (7) anything with a value of \$100 or less; (8) wedding presents and engagement gifts; (9) a monetary or other award presented to an employee of a public school district, the Arkansas School for the Blind, the Arkansas School for the Deaf, the Arkansas School for Mathematics, Sciences, and the Arts, a university, a college, a technical college, a technical institute, a comprehensive life-long learning center, or a community college in recognition of the employee's contribution to education; (10) tickets to charitable fundraising events held within this state by a non-profit organization which is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code; (11) a personalized award, plaque, or trophy with a value of one hundred fifty dollars (\$150) or less; (12) an item which appointed or elected members of a specific governmental body purchase with their own personal funds and present to a fellow member of that governmental body in recognition of public service; (13) food or beverages provided at a conference scheduled event that is part of the program of the conference; (14) food or beverages provided in return for participation in a bona fide panel, seminar, speaking engagement at which the audience is a civic, social, or cultural organization or group; and (15) a monetary or other award publicly presented to an employee of state government in recognition of his or her contributions to the community and State of Arkansas when the presentation is made by the employee's supervisor or peers, individually or through a non-profit organization which is exempt from taxation under Section 501(c) of the Internal Revenue Code, and the employee's receipt of the award would not result in or create the appearance of the employee using his or her position for private gain, giving preferential treatment to any person, or losing independence or impartiality (This exception shall not apply to an award presented to an employee of state government by a person having economic interests which may be affected by the performance or nonperformance of the employee's duties or responsibilities.).

In reporting a gift, you must report the source, the date it was received, a reasonable estimate of its fair market value, and a brief description. In that regard, the Ethics Commission has issued opinions concerning the "fair market value" of such items as transportation on a private aircraft. A group of items received from the same source at the same time would be considered one gift and the separate values should be added together. As an example, if you receive a tie and tie clip (valued \$50.00) along with a pair of golf shoes (valued at \$75) from one donor, this should be reported and described in Section 8, as the receipt of a gift, "tie, tie clip and shoes." The value would be \$125.00. Similarly, food and beverages provided you in connection with lodging should be aggregated to ascertain if the threshold reporting level has been reached. If you are unsure if the value should be aggregated for purposes of reporting, you may wish to contact the Arkansas Ethics Commission for an opinion.

In accordance with Ark. Code Ann. § 21-8-804, certain designated officials are authorized to accept gifts, grants, and donations of money or property on behalf of the State of Arkansas, the Arkansas Senate, the Arkansas House of Representatives, and the Arkansas Supreme Court. In addition, the designated officials are authorized to accept donations of money

period of time than was actually the case, you should indicate any time not spent at the sponsor's expense on either the line requesting the "date" or "nature" of expenses. For example, using the dates listed above, you could report "May 1 - 5, 1997. May 3 - 4 on personal business, expenses paid by me."

Section 12 (Direct Regulation of Business)

The law requires you to list any business by whom you are employed if the business is under direct regulation or subject to direct control by the governmental body which you serve. You must report the employment by listing the name of this business/employer and provide the governmental body which regulates or controls aspects of the business. Such a business relationship typically exists if your private employer is subject to any rules or regulations of a governmental body or if a governmental body adjudicates contested cases of fact involving your private employer. For example, if you work as a licensed dentist, the appropriate regulatory governing body may be the State Board of Dental Examiners.

Whether your business is under direct regulation or subject to direct control by a governing body is often a question of fact. If you are unsure, you should contact the Arkansas Ethics Commission or, if you know, the agency you suspect may regulate part or all of your activities.

Section 13 (Sales to Governmental Body)

The law requires you to report certain business relationships with the government if a significant sale of goods or services occurs. Specifically, you must set out in detail the goods or services sold having a total annual value in excess of \$1,000.00 sold to the governmental body for which you serve or are employed and the compensation paid for each category of goods or services by you or any business in which you or your spouse is an officer, director, stockholder owning more than ten percent (10%) of the stock, owner, trustee, or partner.

Section 14 (Signature)

Under the law, each person, required to file a Statement of Financial Interest must prepare the statement under penalty of false swearing and sign such form attesting to the truth and accuracy of the information set forth on the form. Ark. Code Ann. § 21-8-702. If a person who is required to file a Statement of Financial Interest is called to active duty in the armed forces of the United States, the statement may be completed by the spouse of the person. If the Statement of Financial Interest is completed by the spouse, under this exception, the spouse's signature shall be sufficient for the requirement of Ark. Code Ann. § 21-8-702.

**INSTRUCTIONS FOR COMPLETING THE
CAMPAIGN CONTRIBUTION AND EXPENDITURE REPORT**

COUNTY, MUNICIPAL AND SCHOOL BOARD CANDIDATES

SECTION 1 - Indicate general candidate information and title of office sought. If applicable, include information concerning the candidate's campaign committee. Also, if you are amending a report, the appropriate box at the top of the page should be checked. The law requires that the report be signed under penalty of perjury. The place for the notarized signature is at the bottom of the front page of the report.

NOTE: County, Municipal and School Board candidates are required to file a copy of this report with the County Clerk of the county in which the election is held.

SECTION 2 - Check the box for the type of election and write in the year in which the election will be held.

SECTION 3 - Check the appropriate box to indicate which type of report you are completing. Please note each type of report included here. Also, please complete the blanks indicating the dates covered by this report. It is noted that, when filing a final report, a candidate must indicate the method in which surplus funds are disposed. When a candidate's campaign has ended, the final report is required to indicate which option under Ark. Code Ann. § 7-6-203(h) was used to dispose of any surplus funds and the amount of such funds disposed of by the candidate. In addition, the amount of funds retained by the candidate as carryover funds is also required to be disclosed. However, if the candidate's campaign has not ended, disposal of campaign funds is not required and the candidate may carry forward any remaining campaign funds to the general primary election, general election, or general runoff election for that same office.

LINE 4 - This line, along with lines 5-10, contains SUMMARY information regarding campaign finance activity during the reporting period and cumulatively for the election. Line 4 reflects the balance of campaign funds as of the beginning of the reporting period which should be the same as the ending balance on your last report (found on line 9 of your last report). Your report will normally reflect a positive balance indicating the amount of funds on hand. However, a report may reflect a debt if prior expenditures have exceeded the amount of contributions received.

LINE 5 - This line reflects the amount of interest earned by your campaign account. Interest earned is not treated as a contribution for reporting purposes, but is considered in calculating the balance of campaign funds at the close of the reporting period. In the first column ("For Reporting Period") you list the amount of interest earned since the last reporting period. In the second column ("Cumulative Total"), you list the cumulative total of all interest earned by your campaign account for the election thus far.

LINE 6 - This line reflects the total amount of loans made by you from your own personal funds to your campaign, or personal loans made by financial institutions to you and applied to your campaign. In the first column ("For Reporting Period") you list the amount of loans which you received during the reporting period. This figure can be found on line 13 and should be entered

on line 6. In the second column ("Cumulative Total") you should enter the total amount of all loans to your campaign to date, which should be calculated by adding the figure reported in the first column of this report to the figure reported in the second column of the last report.

LINE 7 - This line reflects the total amount of monetary contributions for your campaign. In the first column ("For Reporting Period") you list the amount of contributions, itemized and nonitemized, you received during this reporting period.¹ This figure can be found on line 19 and should be entered on line 7. In the second column ("Cumulative Total") you should enter the total amount of all contributions to your campaign to date, which should be calculated by adding the figure reported in the first column of this report to the figure reported in the second column of the last report. Non-money or "in-kind" contributions, as reflected on line 15, are not included in the figure for line 7.

LINE 8 - This line reflects the total amount of expenditures made by your campaign. In the first column ("For Reporting Period") you list the amount of expenditures, itemized and nonitemized, you made during this reporting period. This figure can be found on line 28 and should be entered on line 8. In the second column ("Cumulative Total") you should list the total amount of all expenditures to your campaign to date, which should be calculated by adding the figure reported in the first column of this report to the figure reported in the second column in the last report.

LINE 9 - This line should reflect the balance of your campaign funds or "cash on hand" at the close of the reporting period. This figure is calculated by adding the amounts on lines 4, 5, 6 and 7 and subtracting from that total the figure listed on line 8.

LINE 10 - When filing a final report for a particular election, the candidate should indicate either the balance of funds remaining after the payment of all debts or the amount of all debts (including loans) which remain unpaid. Line 10 of a candidate's final report should either reflect "cash on hand" or debts (but not both).

LINE 11 - This line should be checked only if you have not received any contributions, made any expenditures, or otherwise had any campaign financial activity during this particular reporting period. If this is true, you should check this box, and complete only the items on page 1 of the Contribution and Expenditure Report. When filing a "no activity" report, the candidate should only sign and file the front page of the report.

SECTION 12 - The limit on campaign contributions does not apply to loans or contributions made by a candidate from his or her own personal funds to the campaign or to personal loans made by financial institutions to the candidate and applied to his campaign. Any personal loan made by a financial institution to a candidate and applied to his campaign should be reported in Section 12.

If a candidate desires to use or raise campaign funds to repay himself for personal funds which he contributed to the campaign, then he would need to report those personal funds as a loan in Section 12.

¹ If contributions for a general election are received during the reporting period for the primary election, those contributions should be reported in a separate but concurrent report designated for the general election. For more information on this subject, please see Ethics Commission Advisory Opinion No. 97-EC-015.

If a candidate does not desire to use or raise campaign funds to repay himself for personal funds which he contributed to the campaign, then those personal funds would not be reported in Section 12. Instead, they would be reported as a campaign contribution either in Section 16 or on line 18, depending upon the amount.

If a candidate has unpaid loans at the end of a primary, runoff, special, or general election, the source, description and amount of each such loan should be itemized in Section 29. Candidates ending their campaign in debt are permitted to raise funds to retire the debt subject to the restrictions contained in Ark. Code Ann. § 7-6-219.

LINE 13 - This line reflects the total amount of loans you received during this reporting period.

SECTION 14 - This section is for itemization of non-money or "in-kind" contributions. Contributions to candidates may not exceed the maximum amount per election from a contributor. The campaign contribution limit applies to "in-kind" contributions as well. Examples of non-money or "in-kind" contributions are donations of equipment, furniture, office space, advertising or some other item of value. The fair market value should be listed. Noncompensated, nonreimbursed, volunteer personal services or travel are **not** considered "in-kind" contributions.

LINE 15 - This line reflects the total amount of non-money or "in-kind" contributions listed in Section 14.

SECTION 16 - This section is for itemization of money or cash contributions over \$50. Contributions to candidates for county, municipal, or school board office may not exceed the maximum amount per election from any contributor. The limit applies to all contributions. The law requires the candidate to list each **contributor**, his/her **address**, **place of business**, **employer**, **occupation** and the **date** and **amount** of each contribution during this reporting period. The candidate must also designate for **which election** the contribution was received by checking the applicable box in column 4. If additional pages are necessary to report all of the contributions received, this page of the Contribution and Expenditure Report may be photocopied and attached to the report when the report is filed. (NOTE: When a person having carryover funds from a prior campaign files as a candidate for public office, such carryover funds must be transferred to the person's active campaign fund. Although technically not a contribution, the transfer of such funds should be reported in this section.)

LINE 17 - This line should reflect the total of the itemized contributions listed in Section 16.

LINE 18 - Disclose the total amount of monetary contributions of \$50 or less received during this reporting period. A monetary contribution of \$50 or less from any contributor need not be itemized, but is considered a contribution for the particular contributor and is credited against the maximum amount the contributor may contribute to the campaign. Once a contributor exceeds the \$50 threshold for a particular election, all subsequent contributions must be itemized.

LINE 19 - This line reflects the totals from lines 17 (itemized contributions) and 18 (nonitemized contributions). While a non-money contribution is considered as a contribution from the contributor and applies toward that contributor's maximum limit, non-money

contributions are not included in the amount entered on this line. Line 19 reflects the total amount of monetary contributions and is used in computing the balance of campaign funds at the close of the reporting period. This figure should also be entered on line 7 on the front page of the report.

SECTION 20 - This section requires disclosure by category of all expenditures made during the reporting period. The expenditures disclosed here include both the itemized expenditures, listed in Section 24, and the non-itemized expenditures which comprise the total found on line 26. The total amount for each category should be included. If an expenditure is made which does not fall within one of the listed categories, the candidate should include and list the expenditure as "Other" and provide a description in the appropriate space. Expenditures for salaries and wages of campaign workers should be totaled and listed in the applicable category here. Additionally, expenditures for any paid campaign workers must be itemized in Section 22.

LINE 21 - This line should reflect the total of the expenditures as categorized in Section 20. The total should reflect the combination of the figures on lines 25, 26 and 27 and should be the same as the figure on line 28.

SECTION 22 - The law also requires each candidate to list **any person paid to work on a candidate's campaign**. This is true whether the person is a full-time employee or a part-time employee and whether the amount paid exceeds \$100 or not. The candidate should list the name of each person paid to work on the campaign along with the amount paid. Payments to campaign workers reported in this section should not be repeated in section 24 or on line 26.

LINE 23 - This line should reflect the total amount paid during the reporting period for all campaign workers. This figure should also be entered on line 27.

SECTION 24 - This section is for itemization of expenditures over \$100 made during the reporting period. For each expenditure over \$100, the candidate must disclose the **date**, the **amount**, and the **description** of the expenditure made during this reporting period, and the name and address of any person, including the candidate, to whom the expenditure was made. If additional pages are necessary to report all of the expenditures made, this page of the Contribution and Expenditure Report may be photocopied and attached to the report when the report is filed.

LINE 25 - This line should reflect the total of the itemized expenditures listed in Section 24.

LINE 26 - Disclose the total amount of expenditures of \$100 or less made during this reporting period. An expenditure of \$100 or less need not be itemized, but must be included in the total amount of expenditures made during the reporting period.

LINE 27 - This line should reflect the total amount paid during the reporting period for all campaign workers. This figure should be the same as the one entered on line 23.

LINE 28 - This line reflects the totals from lines 25 (itemized expenditures), 26 (nonitemized expenditures) and 27 (paid campaign workers). This figure should also be the same as the one entered on line 8 on the front page of the report and on line 21.

SECTION 29 - This section should only be completed if the candidate has outstanding debts (including unpaid loans) after an election. The amount entered on line 30 should also be entered on line 10 of the report. If the campaign has ended with a debt, the candidate must detail each item which constitutes a part of the total campaign debt. For each creditor, the candidate should list the name and address of the creditor, the description of the debt (e.g. "consultant services"), and the balance of the debt as of the time of filing the final report. If additional pages are necessary to report all of the campaign debt, this page of the Contribution and Expenditure Report may be photocopied and attached to the report when the report is filed.

LINE 30 - This line reflects the total of all debt reflected in Section 29. This figure should also be the same as the one entered on line 9 of the front page of the report.
